

PILLOWS & CUSHIONS

Skagerak's outdoor cushions and pillows are made to last – just like the furniture they are designed to accompany, adding comfort to the outdoor space. We use three types of outdoor fabric: Agora Panama/Lines, Acrisol and Sunbrella Lopi Biscuit.

Agora Panama and Agora Lines are 100% solution dyed acrylic and Oeko-Tex-certified fabrics which are extremely colour- and lightfast. Furthermore, the fabrics are water, dirt, and mildew-repellent.

Acrisol is a 100% acrylic fabric, which is extremely colour- and lightfast as well as water- and dirt-repellent.

Sunbrella Lopi Biscuit is an Oeko-Tex certified and 100% Sunbrella® Acrylic fabric. The fabric has world-class features for outdoor usage, making it extremely colour- and lightfast as well as water-repellent.

For cleaning, wipe the fabric with a firmly wrung cloth. In case of more obstinate stains, remove the upholstery and machine wash at 30° C.

The cushions all have different functions and therefore come in different shapes, textures and sizes. At Skagerak we use three types of fillings: Quickdry Outdoor Foam, Fossflakes and Kapok.

Quickdry Outdoor Foam has an open cell structure that allows both water and air to pass through. This makes the cushion dry exceptionally quickly – even after a heavy downpour. Moreover, the foam provides a firm and comfortable texture that remains the same year after year. We recommend placing the cushions upright for quick drainage. Soon after, the cushion will be dry and the cushion can be used again.

Fossflakes is an allergy-friendly polyethylene known for its superb ability to maintain its volume and shape over time. In addition, Fossflakes provides excellent temperature regulation because the structure of the material allows air to circulate within the cushion.

Kapok is a natural hair-like fibre that is extremely light, water-repellent and hypoallergenic. Our kapok cushions are machine washable at 30° C and should always be tumble-dried at a low temperature to maintain their shape and prevent clumping.

Important note: Under current UK law, Skagerak is not able to provide outdoor cushions and pillows with the same filling as the regular collection. We still offer cushions and pillows in an outdoor textile with weatherproof properties, but the filling is not weatherproof due to stringent (indoor) fire regulations. We therefore recommend that you bring cushions and pillows indoors in heavy rain and when they are not in use.
